Report No.C.D. 33/42-43 dated 27th July 1942 from the Special Amildar for Evacuees re. the progress made since the date of the last meeting.

The Draft Report to be sent to Government of the work done by the Committee in rendering assistance to Evacuees and dependents of persons who are stranded abroad.

The Draft Report was approved by the Committee, with the following additions being made to it:

(i) That the question of setting apart a room or a portion of a room in the Railway Station Platforms for purposes of registration of evacuees etc., may be again pressed before Government,

(ii) Dr. Mahadevan's suggestion that the reciprocal arrangement between the City and Cantonment Evacuees Committees by which a Member of each Committee is attending the other Committee meetings on the days of its meeting etc., to ensure better co-ordination and cordiality between the two Committees might also be included in the Report.

Application dated 26-7-1942 from Mr. Nataraja Sarma, an evacuee from Burma praying for a subsistence allowance of Rs.100/- p.m. till he secures some appointment.

Mr. Nataraja Sarma was present in person and he stated that he was born in Bangalore, educated in the Wesleyan Mission High School, was a student of the Mysore Engineering School during the years 1917-1920 and that he passed the Final Examination in the Higher Grade in the year 1920 and thereupon joined Service in Burma. After hearing Mr. Sharma, the Committee resolved as follows:

(i) That a recommendation be made to Government for the grant of a subsistance allowance of Rs.60/- p.m. for a period of 3 months till he secures an appointment.

He also said that some beds were reserved in the Hospitals for such evacuees.

Dr. Mahadevan also pointed out that, of late, incidence of Malaria and certain other epidemics was on the increase in the City and that this was probably due, in some measure, to infections imported through the evacuees.

It was resolved that the matter might be brought to the notice of the Senior Surgeon in Mysore.
